REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

We must all be careful:

1. To teach our children the danger in lighting matches
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p. m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in supression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Croydon:

Staff

Mrs. Doris Farrington decided to retire last June. She completed ten successful years at the Village School where her patience and interest in her pupils caused many to urge her to re-consider her decision to retire. She was accorded a public testimonial last June which saw both young and old to turn out to express their appreciation for a job well-done.

We were fortunate to secure the services of Mrs. Edith Fowle as a replacement for Mrs. Farrington. Mrs. Fowle is an experienced and capable elementary teacher who for several years had been teaching an elementary grade in Newport. I am pleased to report that the work of the school is progressing very well. The community is fortunate to have another local citizen available and interested in teaching at home.

Enrollment

As of January 1, 1966 there were 27 pupils enrolled at the Village School, divided as follows:

Grade 1	10
Grade 2	8
Grade 3	9

School Milk Program

We are participating in the National School Milk Program this year. Youngsters may purchase a half pint of milk for three cents. There is a reimbursement of three cents per half pint from federal funds to cover the balance of the cost.

Transportation

With the retirement of Lawrence Darling as bus operator, a lease arrangement was signed with P & S Leasing Corporation of Manchester, N. H. They furnish and lease to the Croydon School District a 1960 International school bus. The services of John MacKenzie were obtained as operator. One route has been extended and the costs to date have been within the estimates furnished by the leasing company.

Area School Study

Hoped-for changes in the AREA law were made by the 1965 Legislature. The chosen representatives from Croydon and Newport have continued to study the advisability of a Plan for the two Districts for students in Grades 7-12. There should be a general discussion of this subject at the Annual District Meeting in order to learn the thinking of the Croydon citizens. If it seems advisable, an open hearing would be held in both Croydon and Newport, a Written Plan would be submitted to the State Board of Education, and then a formal vote would be taken in each town.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools
